2023-2-IT02-KA210-SCH-000170888

ERASMUS+  
PROGRAMME

COLEGIUL NAȚIONAL  
 "SPIRU HARET"  
 TULCEA

Unlocking opportunities for new partnerships between international schools.

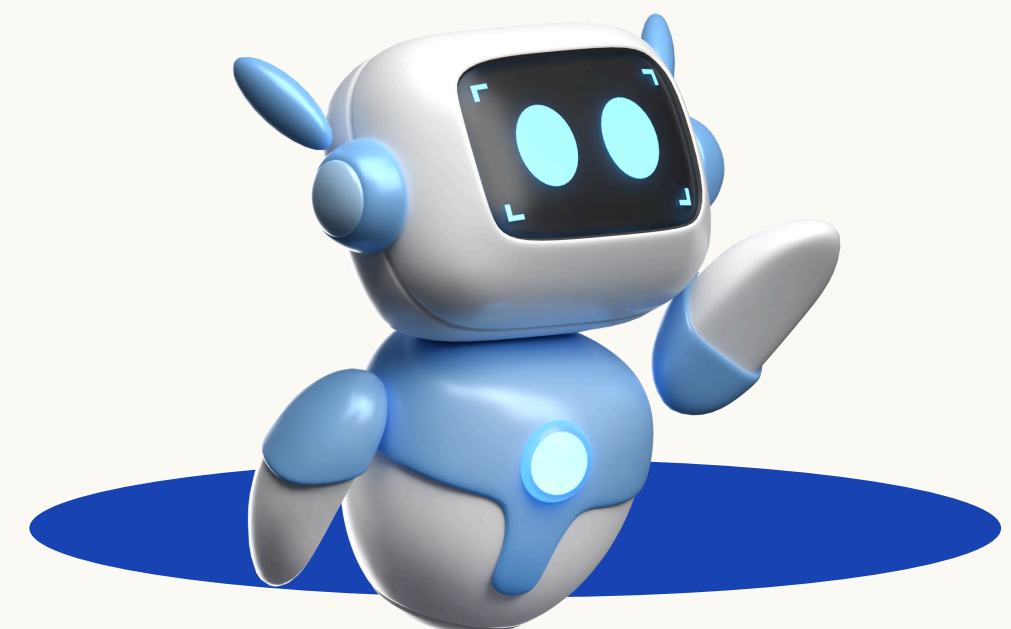

Co-funded by  
the European Union

# PROJECT DESCRIPTION

This project proposal is based on real-life experiences, addresses the need for active citizenship in today's digital world and is linked to the Erasmus+ priorities.

Being digitally skilled has become essential in our new reality.

# PROJECT OBJECTIVES

## ➔ Objective 1

To introduce students and teachers to a basic understanding of AI and data use;

## ➔ Objective 2

To test useful educational tools based on AI and enable them to be used by teachers and students;

## ➔ Objective 3

To educate students about the ethical issues of artificial intelligence, including raising awareness on the responsible use of AI and risks and threats of uses of AI;

## ➔ Objective 4

To support student learning using AI and design effective classroom environments;

## ➔ Objective 5

To co-create in teams composed of students and teachers AI-based educational resources (easy AI and EdTech).
